### **Notes:**

1. Tours currently take approx 1.5 hours and there is a small inside picnic facility.
2. Allow at least 2 hours plus travel time for this; a more thorough visit needs to take about 3 -4 hours if you are more interested in the detail of the new 'Heritage' and 'English Bible' displays.
3. See the current range of 55-minute Bible tours at [www.bible-tours.co.uk](http://www.bible-tours.co.uk). A minimum of 10 persons on each choice is required. A discounted premium of £12 can also be paid (subject to availability) if you choose a longer tour (some are 90 or 120 minutes).
4. This whole package is all included in our typical 3-day weekend Bethel trip, in addition to staying at a very high quality (usually 4-star) 'Spa' Hotel (out of town) with full Buffet 3-course Dinners and English Breakfasts each day. We also include a top quality continental coach (usually 59 seater or larger, with full legroom and WC).
